14. Should the number of Public wishing to attend result in there being more than the maximum number of people allowed in the Back Room under the various regulations (6), the agenda may be varied to allow for each to hear the debate on the item for which they have attended. If all Members of the Public attending for one particular item result in there being more than the maximum number of people allowed in the back room under the various regulations (6), the Chairman may decide to defer the item or to deal with it in such a way as to hear all the contributions. One such way of dealing with the matter is for the meeting to adjourn to the Memorial Hall car park where social distancing **could** be reduced to 1.5m. (NOTE: the maximum number of people in the Back Room INCLUDES the Clerks (1), Members of the Parish Council (3) AND Members of the Public (2).

The verbal instructions of the Clerk and/or Chairman in respect of compliance with these guidelines, the risk assessments and/or the various Covid-19 regulations must be complied with at all times for the safety of all those attending or wishing to attend.

TO BE READ OUT AT THE START OF THE MEETING

Covid security is the hirer's responsibility

If anyone should appear to become ill with Covid symptoms during the meeting, the hall manager must be phoned immediately and the person and all other persons must go home, self-isolate and be tested within 3 days.

The hall manager will clean the hall before and after we attend.

Open all windows in the back room and leave back door & fire escape door open

Designated chairs and tables will be left out and visible in the back room and do not need to clean these after use as we are the only users of this equipment and after 48 hours the virus dies.

We must clean window and door handles, light and heating switches and the key before we leave, with the provided sanitiser.

Any rubbish we produce is to be removed by the individual and taken home for disposal.
