Beltane in Glastonbury

The Mendip West beat team spent the 1st day of spring at Beltane festival in Glastonbury. The event was quite wet due to poor weather, but the event went off without any hitch. All the beat team had a great time and was enjoyed by everyone. We are now looking forward to the summer solstice with hopefully better weather!

Op Sceptre week

The Mendip West beat team have been out in the local parks doing knife sweeps as part of the Op Sceptre knife crime week. The aim of the proactive patrols is to locate hidden weapons in the local parks and take them off the streets for good.

No weapons were found. Residents thanked officers for efforts in keeping knives out of the hands of young people.

From ASB to work of ART

This garage in Glastonbury was boarded up by police on due to ASB and less than 1 hour later Glastonbury murals have stepped up and made it look incredible. This graffiti was organised as a part of the Glastonbury Mural Trail with the appropriate permissions.

We have noticed an increase in tags not associated with the trail around the town, if you have any information on who might be involved please let us know by phoning 101, reporting online or speak to one of your local Neighbourhood team.

Glastonbury

Summer has arrived in Glastonbury and we are already seeing the number of people out and about increasing. It won't be long until the Festival. The neighbourhood team are concentrating on tackling the anti social behaviour in the town and we have asked for extra patrols from the mounted Officers.

Street priority

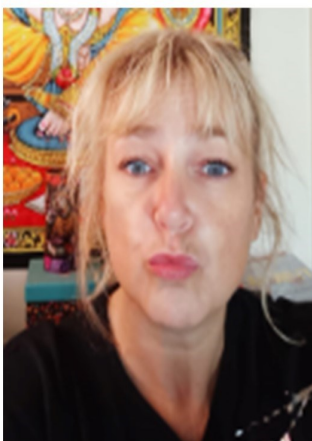

Reports of inconsiderate parking/ obstructions in the Clockhouse View location of Street and surrounding roads. Local residents have raised concerns about inconsiderate parking in these area's. The Civil Parking Enforcement Officers, are the lead agency for any on street parking matters. However, local NPT officers will also pay passing patrols in this area

Fond Farewell

After 5 and a half years of service, the Wells NPT is bidding a fond farewell to PCSO 9327 Samuel White, who has been an integral part of our team since joining us in January 2019. His contributions, which include pioneering the 'Coppers Vs Kids' football tournaments, supporting our rural communities, and working with troubled youths, have been invaluable. In 2023, Samuel was recognized with the prestigious Royal Humane Society Award, for his actions in saving a man's life in 2021. We wish him the best of luck as he embarks on a new chapter in his career, returning to the Mendips in the near future as a Police Constable
